ONE-WEEK MINI-CAMP!

Camp Lohikan's 8 week summer season may end in mid August but the fun continues!!! Every summer in late August we operate a One-Week Mini-Camp which is specifically designed to give first-time campers (of all ages) a taste of real camp fun! Campers sleep in cabins with counselors, participate in days full of camp activities and join in some of our best evening activities! Mini-Camp differs from our regular summer program in that Quad Riding, Jet Skiing & Horseback Riding are all included in the tuition. In addition, Mini Camp features: Tennis, Swimming, All Waterfront Activities, Arts & Crafts, Basketball, Ropes Course, Archery, Volleyball, Bungee Trampoline, Field Sports, a Cabin Overnight & more! First-time campers receive the ultimate in care and attention with Mini-Camp's 1 to 3 staff to camper ratio! You will not find a better staff to camper ratio or a more experienced camp staff! This summer's Mini-Camp dates are listed on the camper enrollment form enclosed.
